

**DANCE COSTUME & RECITAL SHIRT
SIZING ORDER FORM 2020-2021
COMPETITION TEAMS**

INSTRUCTIONS WHEN SIZING/ORDERING YOUR DANCE COSTUME...Please read!

- Please use sizing charts on the following page to help determine the size you would like to order.
- Please remember that this is the one and only costume your child will wear for the entire dance year, which ends in mid-May. If you have any doubt in which size to order, make sure to order big. It's always easier to make a costume smaller.
- Please make sure to choose a size, please do not leave it blank...everyone must choose a size on their own. However, please feel free to contact UCD for any guidance needed...we'd be happy to help you out!
- **It is important to write all the measurements down on the charts.**
- **Girth is the most important measurement when you are sizing for a costume.**
When in doubt let the girth measurement determine the size.
- Your child will probably not measure perfectly in one size. Costumes will not fit all dancers perfectly.
Per the Costume Company...Size charts are for reference only and are not a guarantee of proper fit.
- **Not all costumes will be available in all sizes.** If the costume chosen for your child's class does not come on the size you originally ordered, we will automatically order the next size up (due to multiple vendors, sometimes the costumes do not come in all the sizes listed on the sizing charts). If you prefer to order a size down, you must state so on the sizing form.
- Some costumes are not available to exchange. If there is a possibility of an exchange, there is a *minimum* charge of \$15 per exchange.
- All costume and tights payments are non-refundable.
- Every dancer will need to order a **Spring Recital Shirt** to use during our Spring Recital. Shirts will be double sided with every dancer's name on it. On the attached Sizing Order Form, please make sure to circle what size shirt you'd like for your dancer. Please keep in mind, it will be May 2021 when shirts are passed out, and they are usually worn over the top of dance costumes ~ so you might want to leave a little extra room for comfort. ☺ Families will have a chance to change their size once we pick the final shirt style in April.

HELPFUL INFORMATION TO HELP YOU GET THE RIGHT FIT!

Please follow these simple steps when you're ready to take body measurements.

- Have your dancers wear undergarments or a lightweight leotard with a bra that gives the bust line their typical shape for most accurate measurements.
- Have your dancer stand straight with their weight evenly distributed.
- The measurement tape should be snug but not too tight on circumference measurements and stretched tight for vertical measurements.

Getting the Measurements:

- **Bust/Chest** – Measure over the fullest part of your chest with your arms relaxed at your sides.
- **Waist** – Measure around where your waist naturally indents. Keep your finger between the tape and your belly.
- **Hips** – Measure around the fullest part of the hips and buttocks while standing with your heels together.
- **Girth** – Measure from the midpoint on the shoulder towards the front, through the crotch and back around to meet the midpoint of the shoulder.
- **Inseam** – Measure from the crotch to the bottom. The inseam length is the number of inches, to the nearest half-inch.
